

Bear Lot Location and Approaches

Bear Lot Overview

- Both lots sit at the edge of the reservation and overlook not only the Mohegan Sun Complex but Thames River.
- Both lots use the same entry point from Mohegan Sun Blvd and access is controlled by Mohegan Tribal Public Safety.

Accessing Lots from Route 2A East

- Proceed along Rt 2A until Exit 6 becomes visible (approximately 1 mile from the I395 Interchange).
- Move into the right most exit lane (as denoted by Green Arrow)

Accessing Lots from Route 2A East

- Proceed on the exit ramp and remain in the rightmost lane.
- **IMPORTANT:** The exit ramp is a wide sweeping turn from right to left and is two lanes wide.

Accessing Lots from Route 2A East

- While proceeding over Route 2A, a lane will open to the right.
- Enter that rightmost lane.

Accessing Lots from Route 2A East

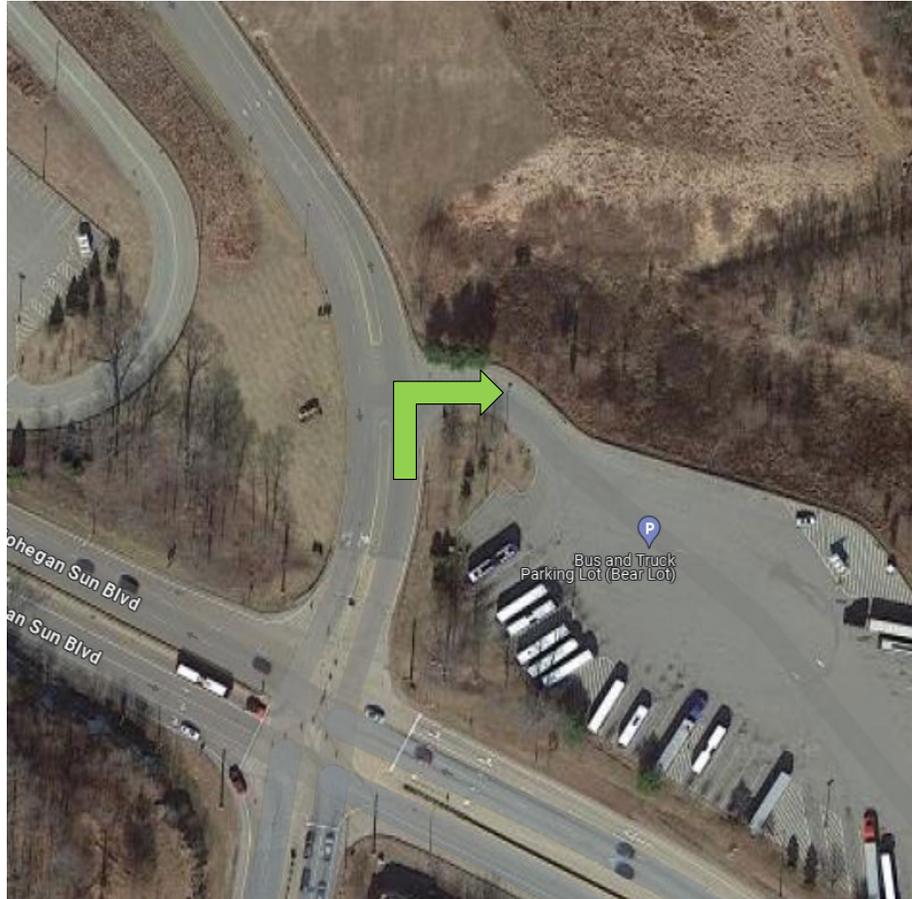

- As the exit ramp approaches a traffic light and entrance to Mohegan Sun Boulevard, the rightmost lane will become a right turn only lane.
- Stay in that turn only lane.

Accessing Lots from Route 2A East

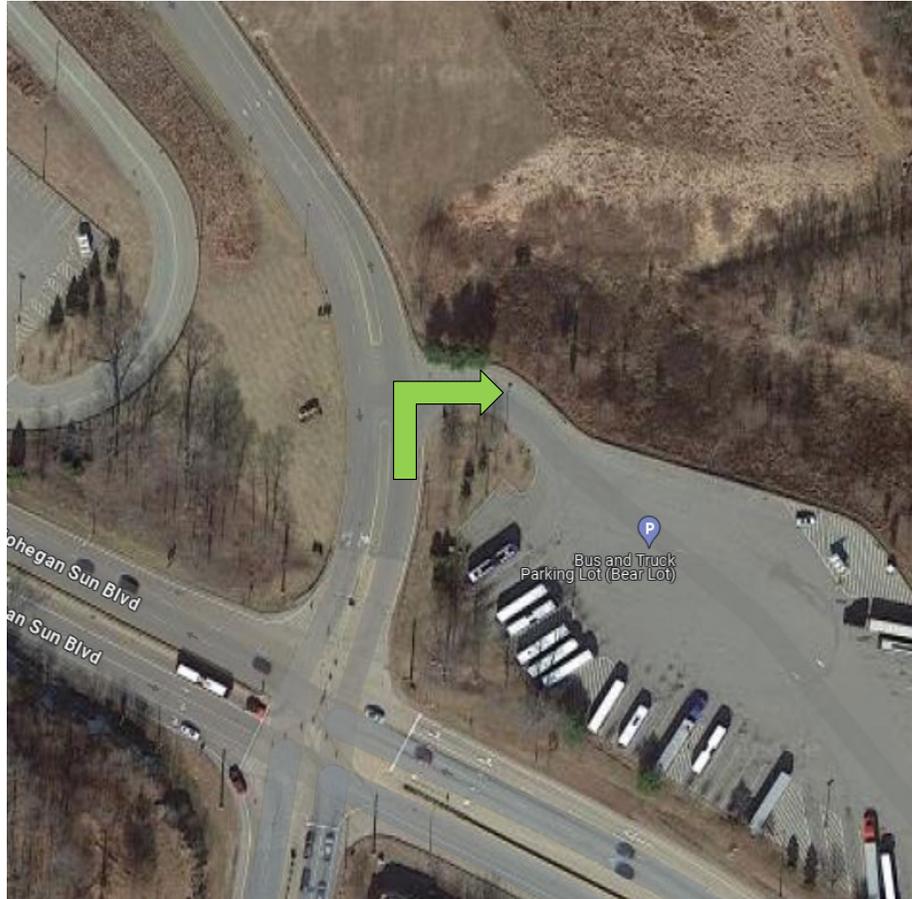

- At the traffic light, turn right to enter the roadway for the Bear and Turtle Parking Lots.
- **NOTE:** A gate normally keeps access to this area restricted. Please contact Public Safety to request it to be opened if not already open.

Accessing Bear

- Upon entering the roadway, the entrance to the Bear Lot will be visible on the right. Access to it is denoted with the green arrow.
- To access Turtle, continue proceeding down the roadway.

Accessing Bear

- The only entrance and exit for the Bear Lot is denoted where the green arrow is.
- To approach the property, proceed out of Bear back to the light and make a right hand turn onto Mohegan Sun Blvd.
- Follow the road to the desired entrance.
